Coin and honor his family by the presence of his middle daughter, Ms. Carla Spaatz Thomas.

The Army-Navy Club in Washington DC will be the venue for this memorable evening

and we expect attendance by a star-studded cast of senior Air Force and Civil Air Patrol leaders. We extend a warm TSA invitation for you to join us, also.

The evening will begin with a social hour, proceed to a specially prepared dinner in this historic venue and continue with an evening of very memorable presentations.

Our Keynote Speaker will be Brig. Gen David E. Clary, USAF, the Director of Homeland Security at Headquarters, USAF. 2003 Aerospace Leadership Scholarship...

The Spaatz Association (TSA) has announced it is now accepting applications for its annual "Aerospace Leadership Scholarship". Each \$2500.00 scholarship is intended to assist CAP Cadet leaders to make the transition from their solo to their private pilot's license.

"This is the only scholarship available to CAP Cadets that rewards excellence in leadership by specifically targeting assistance to the development of civilian pilots

and their continued growth as leaders," explained Col. Bob Mattes, (USAF) TSA's Scholarships Coordinator. "In 2002, three Cadets were awarded this scholarship. We are excited to announce that, in 2003, up to three scholarships will also be awarded".

Applications will be accepted from 1 October 2002 through 28 February 2003 and are awarded at the Annual CAP National Conference. For info WWW.SPAATZ.ORG or <http://home.cfl.rr.com/rmattes/scholar.htm>.
